°°° PROGETTI DI RETE NAZIONALI

NETWORK ANTICORPI XL

Anticorpi XL Network is the Italian network focusing on young auteur dance.

Founded in 2007, it currently involves 38 structures in 16 regions and represents a concrete and significant example of promotion of the new generation of Italian choreographers. It is a network of operators who share the conception and implementation of projects through the networking of individual resources.

Anticorpi XL takes advantage of the organisational and financial coordination of Cantieri Danza Association, recognised by the Ministry of Culture since 2015 as the leader of the Network operating within the field of "Transversal actions for promotion - generational change projects".

Mosaico Danza with INTERPLAY festival participate in the network since 2007.
